

Digby

5966 Digby
3966 Digby

Digby is current and stylish, yet simple enough to stand the test of time. This modestly scaled group is a great choice for small spaces and is extremely versatile with flexible seating options. It features a contemporary tapered arm and tight back to enhance the architectural feel of the style. Digby is available in both fabric and leather.

Creating fine upholstered furniture for more than a century, Flexsteel offers comfort and durability, backed by lifetime warranted laminate and hardwood frame and blue steel seat spring. Seat cushions are made of high-resiliency polyurethane foam and a fiber wrap.
