Perfect for relaxing with the family, the Asher collection highlights all the benefits of modern upholstery. Deep, plush, seats designed to sink into are complemented by a lumbar support that offers a soft yet structured seat. Featuring a power headrest and footrest, personalized comfort is made easy through an easy-to-use switch. The Asher collection boasts plush fibre-filled back cushions that are topped with a layer of memory foam that molds to the body. Highlighted by a topstitch detail that offers added comfort and visual appeal to the collection, the back cushions are complemented by plush pillow-top arms. The power headrest, recline and lumbar functions are easily managed through the use of a sleek activation switch that includes USB charging. With each button shaped differently, touch-identification is easy. A convenient home button, activated with a single touch, will return all power functions to the fully closed position.
