

## 41162 DALEY

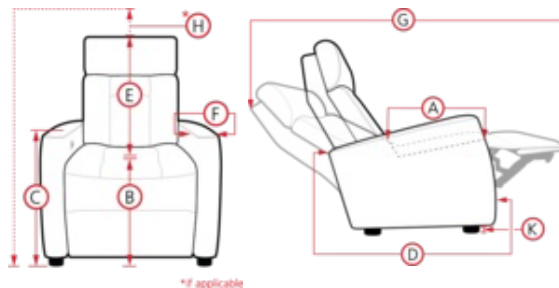

The Daley is a classic motion collection with a structured style. The commanding front arm defines the look and feel of the collection, while padded wings emphasize the plush softness of the cushions. A lumbar bolster gently cradles the back, while the full chaise seating supports the body when in the reclined position. The Daley collection is tailored with top stitching that accents the lines of the style. A power toggle switch or manual handle lets you operate the reclining function and change angles with ease. The Daley collection is the epitome of comfort and a plush addition to any interior space.
