

## 41408 EQUALIZER

The Equalizer home theatre seating collection is a leader when it comes to creating a personal haven. Padded on all surfaces, the Equalizer features a track arm design with a deep storage arm, perfect for keeping your everyday items nearby and out of the way. The Equalizer collection is available in either power or manual recline, maximizing convenience. Ultra-plush back cushions are pillow soft and will embrace you with warmth and comfort. The bucket style, high-resiliency seat foam provides comfort and support whether sitting or reclining that lasts for years to come. Available in a multitude of straight, curved or combination configurations to suit any space, you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Equalizer is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.

### FEATURES

- **Mechanism Activation:** All armless manual pieces recline with D-pull activation handle, discreetly hidden between the arm and seat cushion., All armless power pieces recline with a discreet touch control button switch, located between the arm and the seat cushion., Power recline with a touch button switch, located on the LED cupholder when the LED option is selected, Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with a two button power toggle switch
- **Features:** Single top stitching for a clean and tailored finish (on leather and select fabrics), Hidden plastic glides integrated into the base
- **Cover:** All Palliser Fabrics, All Palliser Leathers
- **Frame Construction:** The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
- **Cushions:** Semi-attached back cushions feature a fibre filling, blown into channels to prevent shifting and provide pillow-soft comfort, Full, chaise-style seat cushions feature a high-resiliency, high density foam
