

41453 HIFI

Clean and contemporary, the Hifi brings sleek sophistication to home theatre seating. Padded on all surfaces, the Hifi features a track arm design and plush foam back cushions engineered for comfort. Full chaise seats offer complete body support while seated or in the fully-reclined position. Accented with elegant topstitching details, the Hifi was one of Palliser's first home theater collections and it remains a crowd pleaser. The versatile collection can be easily personalized by selecting a chrome leg for a modern appeal or a solid espresso wood foot, for a warmer look. The Hifi collection is available in either power or manual recline, maximizing convenience. A multitude of straight, curved or combination configurations allow this collection to suit any space and you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Hifi is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.

FEATURES

- Cover: All Palliser Fabrics, All Palliser Leathers
- Mechanism Activation: All armless manual pieces recline with D-pull activation handle, discreetly hidden between the arm and seat cushion., All armless power pieces recline with a discreet touch control button switch, located between the arm and the seat cushion., Power recline with a touch button switch, located on the LED cupholder when the LED option is selected, Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with integrated switch located on cupholders.
- Features: Single and double needle top stitching for luxurious tailoring (on leather and select fabrics)
