

## SPRINGFIELD

The Springfield collection features an innovative design. Breaking outside the mold of traditional styling, this European-influenced design is defined by clean lines, a unique flange-welt detail and it's loaded with function that is ideal for smaller spaces. A perfect combination of innovation and style, the Springfield collection incorporates a new adjustable headrest that can lock into place 30 degrees forward of centre. This new functionality allows for total head support when in the fully reclined position, making it possible to watch TV while fully reclined. Foam backs and arms underscore the contemporary styling and offer complete support and comfort. The Springfield collection combines style and function, ideal for urban living.
