41454 STEREO

The Stereo home theatre seating collection was designed for smaller spaces. The contemporary collection features a smaller scale, with a slim arm profile and plush cushions engineered for comfort. A refined option for any space, the collection features details like a back cushion tufting, decorative stitching and plush head support when reclining. Full chaise seats offer complete body support while seated or in the fully-reclined position. Casually contemporary, the Stereo is the perfect choice for any home theater space. The Stereo collection is available in either power or manual recline, maximizing convenience. A multitude of straight, curved or combination configurations will suit any space and you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Stereo is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.
