The Westside collection offers straightforward comfort. The collection features a curved track arm with softened edges and T-shaped back cushions that extend over the arms. The blown-fibre back cushions create a pillow-like softness to sink into, and the foam-filled seats ensure you feel supported. Top-stitching details highlight the curved arms and plush cushions. The Westside collection is available in a variety of standalone and sectional pieces including a pull-out sofa bed or integrated sectional sleepers. Multiple corner options can be selected for sectional configurations that best fit your space and style.
